## Core Competencies

Aaversal Global Relocation is a Minority and Disabled Veteran Owned company; licensed and bonded with over 23 years of government and corporate international experience. Aaversal is recognized as a highly acclaimed leader in international relocation and freight forwarding. Having no franchise restrictions, the Aaversal team works with highly experienced agents all over the globe, resulting in a complement of talent that redefines the meaning of customer service.

Aaversal is highly experienced in the art of shipping, packing and logistics for household goods and autos via air, land or sea. Our well established relationships with a diverse selection of shipping lines allows us to provide a global carrier portfolio to facilitate flexible scheduling to meet individual shipping requirements.
